Muhammed Said **Uyar**

Bachelor's student in Computer Science

About me

I am a novice Computer Engineer and I want to improve my skills to become the best programmer I can be. To achieve this I am learning new skills everyday and I hope to learn even more from you.

personal

Muhammed Said Uyar
nationality: American / Turkish
1999

Areas of specialization

OOP · Backend Development · API & Database Design · Game Development · Game Design

Interests

Dungeons & Dragons
Football / Basketball
Reading / Video Games
/ Board Games
